

**Policy Type: Governance Process****Board Self-Assessment**

The Board will collectively use the following self-assessment instrument to evaluate its adherence to its governance model and alignment to established district goals. The Board self-assessment will be completed quarterly.

**Governance Process Review**

Satisfactory	Needs Improvement	Unsatisfactory	
X			1. The Board promotes the advancement of student achievement through policy development and review.
	X		2. The Board engages in activities which promote community involvement and input and seeks additional ways to expand communication to the community.
	X		3. The Board promotes the enhancement of enrichment programs for students through policy development and review.
	X		4. The Board promotes the development of school-to-career opportunities through policy development and review.
X			5. Board members routinely adhere to the Board Member Code of Conduct and Board Covenants regarding meeting behavior.
	X		6. The President helps the Board focus on priorities and goals rather than supervising or becoming involved in staff work.
X			7. Board actions occur at the policy level rather than at the operational level.
X			8. In writing additional policies, the Board starts with a broad statement and becomes more detailed in a logical sequence.
X			9. The Board works on clarifying priorities/values among the range of potential outcomes, beneficiaries, and costs of outcomes.
X			10. The majority of Board time is spent on debating, defining, and clarifying the District vision and goals rather than on fixing operational problems.
X			11. The Board supports the Superintendent in any reasonable interpretation of applicable Board policies, or it further clarifies its intention by revising its policies.

**Comments: (Mandatory if any item is marked unsatisfactory)**

1. The Board must continue to strive to improve student achievement through policy development.
3. The decision to reduce direct services for elementary enrichment programs was due to budget financial considerations.
