

## **A-4 (AC) Nondiscrimination/Equal Opportunity**

The Board is committed to providing a safe learning and work environment where all members of the school community are treated with dignity and respect. The schools in the district are subject to all federal and state laws and constitutional provisions prohibiting discrimination on the basis of disability, race, creed, color, sex, sexual orientation, national origin, religion, ancestry or need for special education services. Accordingly, no otherwise qualified student, employee, applicant for employment or member of the public shall be excluded from participation in, be denied the benefits of, or be subjected to unlawful discrimination under any district program or activity on the basis of race, color, national origin, ancestry, creed, religion, sex (which includes marital status), sexual orientation (which includes transgender), disability or need for special education services. Discrimination against employees and applicants for employment based on age and genetic information and conditions related to pregnancy or childbirth is also prohibited in accordance with state and/or federal law.

This policy and regulation shall be used to address all concerns regarding unlawful discrimination and harassment, except those regarding sexual harassment which are addressed in other Board policies listed in this policy's cross references.

In keeping with these statements, the following shall be objectives of this school district:

1. To promote the rights and responsibilities of all individuals as set forth in the state and federal constitutions, pertinent legislation and applicable judicial interpretations.
2. To encourage positive experiences in terms of human values for children and adults who have differing personal and family characteristics or who come from various socio-economic, racial and ethnic groups.
3. To consider carefully, in all decisions made which affect the schools, the potential benefits or adverse consequences that those decisions might have on the human relations aspects of all segments of society.
4. To utilize educational experiences to build each individual's pride in the community in which he or she lives.
5. To initiate a process of reviewing all policies and practices of this school district in order to achieve the objectives of this policy to the greatest extent possible.
6. To investigate and resolve promptly any complaints of unlawful discrimination and harassment.
7. To investigate and appropriately discipline staff and students found to be responsible for incidents of harassment or unlawful discrimination in violation of Board policy.

## **Annual notice**

The district shall issue a written notice prior to the beginning of each school year that advises students, parents, employees and the general public that the educational programs, activities and employment opportunities offered by the district are offered without regard to race, color, sex (which includes marital status), sexual orientation (which includes transgender), religion, national origin, ancestry, creed, disability or need for special education services. With respect to employment practices, the district shall also issue written notice that it does not discriminate on the basis of age, genetic information or conditions related to pregnancy or childbirth. The announcement shall also include the name/title, address, email address and telephone number of the person designated to coordinate Title IX and Section 504 and ADA compliance activities.

The notice shall be disseminated to persons with limited English language skills in the person's own language. It shall also be made available to persons who are visually or hearing impaired.

The notice shall appear on a continuing basis in all district media containing general information, including: teachers' guides, school publications, the district's website, recruitment materials, application forms, vacancy announcements, student handbooks, school program notices, summer program newsletters and annual letters to parents.

## **Compliance Officer**

The board of Education designates the Director of Support Services as the district Compliance Officer.

## **Harassment is prohibited**

Harassment based on a person's race, color, national origin, ancestry, creed, religion, sex (which includes marital status), sexual orientation (which includes transgender), disability or need for special education services is a form of discrimination prohibited by state and federal law. Preventing and remedying such harassment in schools is essential to ensure a nondiscriminatory, safe environment in which students can learn, employees can work and members of the public can access and receive the benefit of district facilities and programs. All such harassment, by district employees, students and third parties, is strictly prohibited.

All district employees and students share the responsibility to ensure that harassment does not occur at any district school, on any district property, at any district or school-sanctioned activity or event, or off school property when such conduct has a nexus to the school, or any district curricular or non-curricular activity or event.

For purposes of this policy, harassment is any unwelcome, hostile and offensive verbal, written or physical conduct based on or directed at a person's race, color, national origin, ancestry, creed, religion, sex, sexual orientation (which includes transgender), disability or need for special education services that: (1) results in physical, emotional or mental harm, or damage to property; (2) is sufficiently severe, persistent, or pervasive that it interferes with an individual's ability to participate in or benefit from an educational program or activity or creates

an intimidating, hostile or threatening environment; or (3) substantially disrupts the orderly operation of the school. Board policy on sexual harassment will apply to complaints alleging sexual harassment.

Harassing conduct may take many forms, including but not limited to:

1. verbal acts and name-calling;
2. graphic depictions and written statements, which may include use of cell phones or the Internet;
3. other conduct that may be physically threatening, harmful or humiliating.

### **Reporting unlawful discrimination and harassment**

Any student who believes he or she has been a victim of unlawful discrimination or harassment as defined in Board policy, or who has witnessed such unlawful discrimination or harassment, shall immediately report it to an administrator, counselor, teacher or the district's compliance officer and file a complaint as set forth in the regulation which accompanies this policy.

Any employee, applicant for employment or member of the public who believes he or she has been a victim of unlawful discrimination or harassment, or who has witnessed such unlawful discrimination or harassment, shall file a complaint with either an immediate supervisor or the district's compliance officer.

If the individual alleged to have engaged in prohibited conduct is the person designated as the compliance officer, an alternate compliance officer shall be designated to investigate the matter, as specified in the accompanying regulation.

### **District action**

All district employees who witness unlawful discrimination or harassment shall take prompt and effective action to stop it, as prescribed by the district.

The district shall take appropriate action to promptly and impartially investigate allegations of unlawful discrimination and harassment, to end unlawful behavior, to prevent the recurrence of such behavior and to prevent retaliation against the individual(s) who files the complaint and/or any person who participates in the investigation. When appropriate, the district shall take interim measures during the investigation to protect against further unlawful discrimination, harassment or retaliation.

To the extent possible, all reports of unlawful discrimination or harassment will be kept confidential. Students or employees who knowingly file false complaints or give false statements in an investigation shall be subject to discipline, up to and including suspension/expulsion for students and termination of employment. No student, employee or

member of the public shall be subject to adverse treatment in retaliation for any good faith report of harassment under this policy.

Upon determining that incidents of unlawful discrimination or harassment are occurring in particular district settings or activities, the district shall implement measures designed to remedy the problem in those areas or activities.

Any student or employee who engages in unlawful discrimination or harassment shall be disciplined according to applicable Board policies and the district shall take reasonable action to restore lost educational or employment opportunities to the victim(s).

In cases involving potential criminal conduct, the compliance officer shall determine whether appropriate law enforcement officials should be notified.

### **Notice and training**

To reduce unlawful discrimination and harassment and ensure a respectful school environment, the administration is responsible for providing notice of this policy to all district schools and departments. The policy and complaint process shall be referenced in student and employee handbooks and otherwise available to all students, staff and members of the public through electronic or hard-copy distribution.

Students and district employees shall receive periodic training related to recognizing and preventing unlawful discrimination and harassment. District employees shall receive additional training related to handling reports of unlawful discrimination and harassment. The training will include, but not be limited to:

- awareness of groups protected under state and federal law and/or targeted groups;
- how to recognize and react to unlawful discrimination and harassment; and
- proven harassment prevention strategies.

## **A-4 (AC) Nondiscrimination/Equal Opportunity Guidelines** (Complaint and Compliance Process)

The district is committed to providing a working and learning environment that is free from unlawful discrimination and harassment. The district shall promptly respond to concerns and complaints of unlawful discrimination and/or harassment; take action in response when unlawful discrimination and/or harassment is discovered; impose appropriate sanctions on offenders in a case-by-case manner; and protect the privacy of all those involved in unlawful discrimination and/or harassment complaints as required by state and federal law. When appropriate, the complaint shall be referred to law enforcement for investigation.

The district has adopted the following procedures to promptly and fairly address concerns and complaints about unlawful discrimination and/or harassment. Complaints may be submitted orally or in writing.

### **Definitions**

1. "**Compliance officer**" means a district employee designated by the Board to receive complaints of alleged unlawful discrimination and harassment. The compliance officer shall be identified by name/title, address, telephone number and email address. See exhibit A-4 (AC) Exhibit 1. If the designated individual is not qualified or is unable to act as such, the superintendent shall designate another district employee who shall serve until a successor is appointed by the Board.
2. "**Aggrieved individual**" shall mean a student, the parents or guardians of a student under the age of 18 acting on behalf of a student, an employee of the district, or member of the public who is directly affected by and/or is witness to an alleged violation of Board policies prohibiting unlawful discrimination or harassment.

### **Compliance officer's duties**

The compliance officer shall be responsible for conducting an investigation and coordinating all complaint procedures and processes for any alleged violation of federal or state statute or Board policy prohibiting unlawful discrimination or harassment. The compliance officer's duties shall include providing notice to students, parents/guardians of students, employees and the general public concerning the compliance process, providing training for district staff regarding the prohibition of discrimination/harassment in all district programs, activities and employment practices, disseminating information concerning the forms and procedures for the filing of complaints, ensuring the prompt investigation of all complaints, coordinating hearing procedures, and identifying and addressing any patterns or systemic problems that arise during the review of complaints. The compliance officer may delegate any or all of the foregoing responsibilities as necessary and/or appropriate under the circumstances.

## **Complaint procedure**

An aggrieved individual is encouraged to promptly report the incident as provided in Board policy and this regulation. All reports received by teachers, counselors, principals or other district employees shall be promptly forwarded to the compliance officer. If the compliance officer is the individual alleged to have engaged in the prohibited conduct, the complaint shall be forwarded to the superintendent.

Any aggrieved individual may file with the compliance officer a complaint charging the district, another student or any district employee with unlawful discrimination or harassment. Complaints may be made orally or in writing. Persons who wish to file a written complaint shall be encouraged to use the district's complaint form.

All complaints shall include a detailed description of the alleged events, the dates the alleged events occurred and names of the parties involved, including any witnesses. The complaint shall be made as soon as possible after the incident.

The compliance officer shall confer with the aggrieved individual and/or the alleged victim of the unlawful discrimination or harassment as soon as is reasonably possible, but no later than five (5) calendar days following the compliance officer's receipt of the complaint in order to obtain a clear understanding of the basis of the complaint.

Within five (5) calendar days following the initial meeting with the aggrieved individual and/or alleged victim, the compliance officer shall attempt to meet with the individual alleged to have engaged in the prohibited conduct and, if a student, his or her parents/guardians in order to obtain a response to the complaint. Such person(s) shall be informed of all allegations that, in the compliance officer's judgment, are necessary to achieve a full and accurate disclosure of material information or to otherwise resolve the complaint.

At the initial meetings, the compliance officer shall explain the avenues for informal and formal action, provide a description of the complaint process, and explain that both the victim and the individual alleged to have engaged in prohibited conduct have the right to exit the informal process and request a formal resolution of the matter at any time. The compliance officer shall also explain that whether or not the individual files a written complaint or otherwise requests action, the district is required by law to take steps to correct the unlawful discrimination or harassment and to prevent recurring unlawful discrimination, harassment or retaliation against anyone who makes a report or participates in an investigation. The compliance officer shall also explain that any request for confidentiality shall be honored so long as doing so does not preclude the district from responding effectively to prohibited conduct and preventing future prohibited conduct.

## **Informal action**

If the aggrieved individual and/or the individual alleged to have engaged in the prohibited conduct requests that the matter be resolved in an informal manner and/or the compliance officer believes that the matter is suitable to such resolution, the compliance officer may

attempt to resolve the matter informally through mediation, counseling or other non-disciplinary means. If both parties feel a resolution has been achieved through the informal process, then no further compliance action must be taken. No party shall be compelled to resolve a complaint of unlawful discrimination or harassment informally and either party may request an end to an informal process at any time. Informal resolution shall not be used to process complaints against a district employee and shall not be used between students where the underlying offense involves sexual assault or other act of violence.

### **Formal action**

If informal resolution is inappropriate, unavailable or unsuccessful, the compliance officer shall promptly investigate the allegations to determine whether and/or to what extent, unlawful discrimination or harassment has occurred. The compliance officer may consider the following types of information in determining whether unlawful discrimination or harassment occurred:

- a. statements by any witness to the alleged incident,
- b. evidence about the relative credibility of the parties involved,
- c. evidence relative to whether the individual alleged to have engaged in prohibited conduct has been found to have engaged in prohibited conduct against others,
- d. evidence of the aggrieved individual and/or alleged victim's reaction or change in behavior following the alleged prohibited conduct,
- e. evidence about whether the alleged victim and/or aggrieved individual took action to protest the conduct,
- f. evidence and witness statements or testimony presented by the parties involved,
- g. other contemporaneous evidence, and/or
- h. any other evidence deemed relevant by the compliance officer.

In deciding whether conduct is a violation of law or policy, all relevant circumstances shall be considered by the compliance officer, including:

- a. the degree to which the conduct affected one or more student's education or one or more employee's work environment,
- b. the type, frequency and duration of the conduct,
- c. the identity of and relationship between the individual alleged to have engaged in the prohibited conduct and the aggrieved individual and/or alleged victim,

- d. the number of individuals alleged to have engaged in the prohibited conduct and number of victims of the prohibited conduct,
- e. the age of the individual alleged to have engaged in the prohibited conduct and the aggrieved individual and/or alleged victim,
- f. the size of the school, location of the incident and context in which it occurred,
- g. other incidents at the school.

The compliance officer shall prepare a written report containing findings and recommendations, as appropriate, and submit the report to the superintendent within thirty (30) calendar days following the compliance officer's receipt of the complaint or fifteen (15) calendar days following the termination of the informal resolution process.

The compliance officer's report shall be advisory and shall not bind the superintendent or the district to any particular course of action or remedial measure. Within ten-fifteen (10-15) calendar days after receiving the compliance officer's findings and recommendation, the superintendent or designee shall determine any sanctions or other action deemed appropriate, including if appropriate recommendations to the Board for disciplinary or other action.

To the extent permitted by federal and state law, all parties, including the parents/guardians of all students involved, shall be notified in writing of the final outcome of the investigation and all steps taken by the district within five (5) calendar days following the superintendent's and/or Board's determination.

### **Hearing procedure**

For allegations under Section 504 and as otherwise required by law, the aggrieved individual may request a hearing. This hearing procedure will not address guilt or innocence or disciplinary consequences which shall instead be governed by the Board's discipline policies and procedures.

The district shall retain a person to serve as the impartial hearing officer, who shall be knowledgeable about Section 504 and/or the ADA, if applicable. The hearing shall be informal and shall be recorded. Formal rules of evidence shall not apply. A student shall be entitled to be represented by his/her parent or by an attorney. An employee shall be entitled to be represented by an attorney or other representative of his/her choice. The complainant may appear at the hearing and shall be entitled to present testimony and other evidence. A district representative shall likewise be entitled to present testimony and other evidence. The hearing shall be closed to the public.

Within fifteen (15) calendar days after the hearing, the hearing officer shall issue a written decision based upon evidence presented at the administrative hearing, including any remedial or corrective action deemed appropriate. Remedial actions shall include measures designed to

stop the unlawful discrimination or harassment, correct its negative impact on the affected individual, ensure that the conduct does not recur, and restore lost educational opportunities.

After the hearing officer has issued his or her decision, the recording of the hearing, all physical and documentary evidence and all other items comprising the record of the hearing shall be returned to the district.

Either party may seek review of the hearing officer's decision in a court of competent jurisdiction, in accordance with applicable law and applicable timelines for requesting such review.

Nothing contained herein shall be interpreted to confer upon any person the right to a hearing independent of a Board policy, administrative procedure, statute, rule, regulation or agreement expressly conferring such right. This process shall apply, unless the context otherwise requires and unless the requirements of another policy, procedure, statute, rule, regulation or agreement expressly contradicts with this process, in which event the terms of the contrary policy, procedure, law, rule, regulation or agreement shall govern.
