

## Public sign-in/ comment form

**Notice:** To maintain record of public comments, please fully complete the information below prior to making your public comments. Each speaker is allowed 3 minutes to address the Board. No longer than 30 minutes will be spent on public comment at any particular meeting, unless extended by the Board President. If there are a number of speakers who would like to comment on the same topic, we ask that remarks be consolidated. It is not the number of people who address the Board that leads to better decision-making, rather the content of a speaker's presentation.
