

1.0 SUPERINTENDENT OF SCHOOLS

1.1 The School District shall employ a chief executive officer to administer the affairs and programs of the School District. The position shall be designated as Superintendent of Schools. The employment of the Superintendent of Schools shall be pursuant to a written contract. Generally, the Superintendent of Schools shall have the authority and responsibility for the implementation of the orders and directions of the Board of Education, for supervising and directing all personnel of the School District, for supervising and implementing all of the programs of the School District, and for advising the Board of Education on all School District matters. More specifically, the Superintendent of Schools shall act in accordance with appropriate School District policy and procedures, Board of Education directives, job descriptions, contract requirements, and similar proper directives.
