

12.0 TRANSFER OR OTHER PERSONNEL ACTIONS

12.1 Administrative personnel shall be subject to transfer, suspension or any other personnel action at the discretion of the Superintendent of Schools, subject to Board of Education review and approval.

12.2 A teacher who holds an administrative position may be assigned to another position for which he/she is qualified if a vacancy exists in such a position and, if so assigned, with a salary corresponding to the position. The Superintendent of Schools may consider the years of service accumulated while the teacher was occupying the administrative position when determining where to place the teacher on the salary schedule.

12.3 The three school years of continuous employment required for the probationary period is not deemed interrupted if a probationary teacher accepts the position of Superintendent of Schools. However, the period of time during which a probationary teacher serves in such capacity will not be included in computing the probationary period.
