

6.0 ADMINISTRATIVE ORGANIZATION PLAN

6.1 The authority of the Board of Education shall generally be exercised through the Superintendent of Schools. However, nothing in these Administrative Procedures shall be construed as preventing or limiting the Board of Education from acting otherwise at its discretion.

6.2 The Superintendent of Schools shall have authority to organize and reorganize lines of authority and administrative staff as he/she determines appropriate, subject to Board of Education review and subject to any other Board of Education directives or requirements.
