

## **9.0 RECRUITMENT OF ADMINISTRATIVE STAFF**

9.1 In the event of an administrative vacancy, the Superintendent of Schools may consider currently employed staff and all other persons who have properly indicated a desire to be considered.

9.2 The particular procedure to be followed in recruiting and selecting administrative staff shall be as determined by the Superintendent of Schools to be appropriate for any given situation, subject to review by the Board of Education.

9.3 Administrative staff shall be selected and employed based on consideration of qualifications, School District resources, and such other factors deemed by the Superintendent of Schools and the Board of Education to be appropriate.
