

2.0 BUILDINGS AND GROUNDS MANAGEMENT

2.1 The management of all school buildings, grounds and facilities shall be under the supervision of the Superintendent of Schools.

2.2 The Superintendent of Schools shall, as necessary, cause to be developed procedures necessary to provide for safety, security, maintenance and record keeping and long-range planning regarding facilities.

2.3 Each school building shall be inspected regularly by School District staff to address removal of hazards and vandalism and any other barriers to safety and supervision.
