

G-b-17 (GCQF) Discipline, Suspension and Dismissal of Professional Staff

(And Contract Nonrenewal)

The Board of Education shall follow procedures established by law for the suspension and dismissal of teachers.

Full-time probationary teachers, currently employed by the Board, shall be reemployed for the succeeding academic year at the appropriate salary unless the Board does not renew the contract of such teacher pursuant to law.

The superintendent shall be authorized to suspend with pay or place on administrative leave a professional staff member as a disciplinary measure and/or pending an internal or legal investigation when a professional staff member is accused of serious misconduct. The superintendent shall report all such suspensions to the Board at its next meeting and shall make a recommendation if further disciplinary action is warranted.

A teacher shall not be subject to any disciplinary proceeding including dismissal for actions which were in good faith and in compliance with the district's discipline code, nor shall a contract nonrenewal be based on such lawful actions.

The district shall not obtain consumer credit reports on a current employee unless the district is evaluating the employee for promotion, reassignment or retention. In all cases where credit information or reports are obtained and/or relied upon for purposes of reassigning, terminating or denying the promotion of an employee, the district shall comply with the Fair Credit Reporting Act and applicable state law.

The district shall comply with the mandatory reporting requirements concerning allegations of unlawful behavior involving a child and other offenses, in accordance with state law and the regulation accompanying this policy.

(Mandatory Reporting Requirements)

The following procedures apply to the reporting of allegations against or offenses committed by licensed personnel who face a dismissal action or are dismissed by the district.

Mandatory reporting requirements – unlawful behavior involving a child

If an employee is dismissed as a result of an allegation of unlawful behavior involving a child, including unlawful sexual behavior, which is supported by a preponderance of evidence, the superintendent shall notify the Colorado Department of Education (CDE) as soon as possible but no later than ten (10) business days after the employee's dismissal. The superintendent shall provide any information requested by the department concerning the circumstances of the dismissal. The district also shall notify the employee that information concerning the dismissal is being forwarded to CDE unless such notice would conflict with the confidentiality requirements of the Child Protection Act.

If the district learns that a current or past employee has been convicted of, pled *nolo contendere* to, or received a deferred sentence or deferred prosecution for a felony or a misdemeanor crime involving unlawful sexual behavior or unlawful behavior involving children, the superintendent shall notify CDE.

Mandatory reporting requirements – other offenses
