

## 7.0 CLASS SIZE ENROLLMENT

7.1 For each school the Superintendent of Schools shall establish an educationally-sound class enrollment, ensuring that such enrollment does not negatively impinge on the financial ability of the School District and/or the available space in any given school

7.2 General guidelines for class size will be:

7.2.1 Preschool – 15 students per two staff

7.2.2 Kindergarten – 20 students per teacher

7.2.3 Grades 1-12 – 25 students per teacher

7.3 General guidelines to determine number of staff for grades 1-12 per school:

7.3.1 The student count in grades 1-12 for the building under consideration is divided by 23.

7.3.2 The number obtained in 7.3.1 is the approximate number of full-time teachers to be employed at that school – excluding pre-kindergarten, kindergarten, special education, English language learner, Title 1, counselors and administrative staff.

7.3.3 The building Principal has responsibility and authority to make assignments of staff to the grade levels where they are deemed most necessary.
