

27.0 AUDIO-VISUAL EQUIPMENT

27.1 No audio-visual equipment shall be purchased without approval of the building Principal.

27.2 When individuals, parent groups, or other organizations donate equipment for the schools, the equipment will be inventoried by the Library/Media Center and will be marked, noting the source of funds and donor.

27.2.1 The equipment will become property of the School District and will not be subject to recall or reassignment by the donors.

27.2.2 The School District will assume all responsibility for service, repairs, replacement and insurance.
