

## **35.0 COMMUNITY RESOURCE PERSONS**

35.1 Whenever a teacher wishes to arrange for a resource person to address or in any way participate in a class program, the teacher shall confer with and obtain the prior approval of the building Principal. Information provided to the building Principal shall include the name of the visitor and the date of the proposed visit, as well as the topic which will be discussed with students.

35.2 If controversial topics will be discussed by the resource person, the building Principal shall seek the advice of the Superintendent of Schools before granting approval.
