

## **36.0 SCHOOL VOLUNTEERS**

36.1 Volunteers may be utilized in the schools when prior approval is obtained from the building Principal.

36.2 A volunteer is a person who works on an occasional or regular basis at school sites or other educational facilities to support the efforts of professional personnel. Such an adult volunteer worker shall serve in that capacity without compensation and without employee benefits of any type except for Workmen's Compensation and liability protection as provided by state law and district policy. The District Worker's Compensation insurance covers medical costs and excludes reimbursement for loss of wages for volunteers assisting athletic teams.

36.3 Use of volunteers within the School District is not to conflict with or replace any regularly authorized personnel allotment.

36.4 Volunteers shall check in and out through the office and will only work with students under the immediate supervision and direction of a licensed employee.

36.5 Volunteers are expected to comply with all policies, administrative procedures and guidelines set forth by the School District.
