

District Mission

In order to lead rewarding lives and be contributing citizens, all students will complete an appropriate education program in a safe and orderly environment and be prepared to compete for employment and/or continue their education.

Goals

- Improve Student Achievement
- Expand Community Involvement and Communication
- Attract and Retain Quality Staff
- Enhance Enrichment Programs
- Develop School-to-Career Opportunities

Beliefs

- A healthy environment requires demonstration of mutual respect.
- Quality performance deserves recognition and reward.
- People support those decisions which they participate in making.
- Successful change requires broad participation and understanding.
- Highly functioning organizations require self-disciplined, fully-engaged participants.
- Education is the key to well-being of individuals and their society.
- Success requires not that challenges be limited, but that limits be challenged.
- Every child deserves the best possible education we can provide.
- High expectations lead to high achievement.
- Quality education is a partnership of school and community.
- Students do better when their parents are involved.
- Continual learning improves performance.
- A public education honors and teaches the ideals and history of our society.
- Meeting student needs requires risk-taking and innovation
- People learn and work best in a safe, caring and nurturing environment.
