

## **7.0 PERSONNEL**

7.1 The Superintendent of Schools shall assign such School District personnel as may be necessary to carry out the functions prescribed in the Section F.

7.2 The Superintendent of Schools shall identify and recommend to the Board of Education the employment of such professionals as may be necessary to carry out the several tasks of this Section F.

7.2.1 The selection of such professionals, whether employed as independent contractors or as temporary or permanent employees, shall be based on qualifications, experience and such other criteria as may be appropriate to the situation. Such services shall not be subject to competitive bidding.
